

ADD FLAIR with Shield-Crete® Deco-Flakes.

Create a confetti look by broadcasting **Shield-Crete Deco-Flakes** on a freshly coated floor. Depending on the density of the flake application, they can also help hide imperfections in the concrete surface.

Remember to seal the surface with Shield-Crete Clear Coat Kit for lasting beauty and protection too.

Floor: Poised Taupe SW 6039
Deco-Flakes: Earthy Mosaic

Every garage floor deserves a
SHOWROOM FINISH.

GARAGE FLOOR Shield-Crete® System

Product and Color Guide

**Beautiful Color
Plus Protection
for Garage
Floors & More!**

Great for basements,
laundry rooms, storage areas,
man caves, warehouse
and commercial floors too.

Flake Patterns

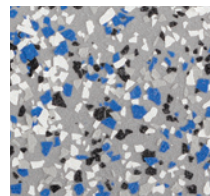

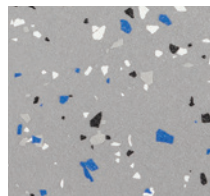

Create custom flake patterns simply by choosing the density of the flakes during application. See below for examples:

Light Pattern

Heavy Pattern

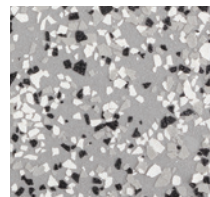

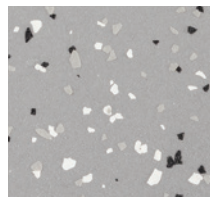

Blue Chip Creek

Shown over Shield-Crete packaged color, Concrete Gray.

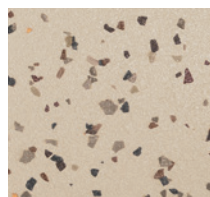

Salt & Pepper

Shown over Shield-Crete packaged color, Concrete Gray.

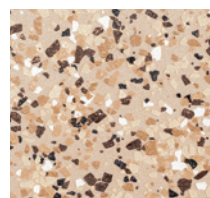

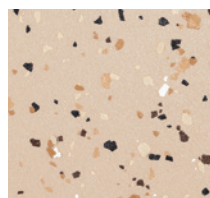

Earthy Mosaic

Shown over Urban Putty SW 7532

Pebble Beach

Shown over Pueblo SW 7711

With proper prep, followed by easy application, this durable coating resists hot tire pickup, peeling, and is resistant to oil and chemical stains.

Interior

Shield-Crete®

Water-Based Epoxy Garage Floor Coating

2-part epoxy penetrates deeply into the concrete, delivering a durable coat of glossy solid color.

Tintable to 1,000+
Sherwin-Williams colors

Shield-Crete

Deco-Flakes

Vinyl paint chips that provide a unique, decorative finish similar to granite or terrazzo.

Available in four versatile blends

Interior

Shield-Crete

Water-Based Epoxy Garage Clear Coat

On its own or as a final step in the system, this 2-part epoxy offers extra protection for your garage floor and seals in Deco-Flakes. It resists common stains, keeping its showroom finish.
